

DIRECTIONS FOR STOPPING COMPETITOR

If Possible use 2 different people – one at the timing line and one further down the lane with the flag.

See next page for FEI Rules for Eventing on Stopping Athletes and Timing.

From the FEI Rules for Eventing:

545.7 Stopping Athletes

If any part of an obstacle is obstructed by an Athlete in difficulty, or if any obstacle has been dismantled to release a fallen Horse, or if an obstacle has been broken and is not yet rebuilt, or in any other similar circumstances, subsequent Athletes must be halted.

In such a case, an Official should be posted in the path of the oncoming Athlete. The Official shall wave a red flag, which indicates that the Athlete must stop.

Failure to stop is penalized by elimination at the discretion of the Ground Jury.

The Official will stop Athletes only upon the instruction of the Control Centre or during an emergency at his own obstacle.

Athletes may be stopped on the course at obstacles or at designated timing/stopping points.

545.7.1 Timing

The time during which the Athlete was stopped, from the moment he passed the timing point until he passes that same point after being given the order to restart, will be recorded and it will be deducted from the total time taken by the Athlete to complete the course.

It is clearly intended that the time shall be taken as the Athlete gallops past the timing point, not after he halts nor after a start from the halt.
